DEATH OF HON. JAMES J. DOLAN.

Has Been Engaged in the Cattle Business
in New Mexico for 30 Years—Faithful
to Every Trust—His Demise
Sincerely Deplored.

Judge McE received a letter from a
friend at Lincoln this morning convey-
ing the sad intelligence that Hon. James
J. Dolan died very suddenly at his home
there day before yesterday of internal
hemorrhage.

The deceased had been an active and
useful resident of New Mexico for 30
years, being all those years extensively
engaged in the cattle business in Lincoln
county, and the announcement of his
demise will be received with sincere
sorrow by hundreds of people in all parts
of the territory, by most of whom he
was familiarly and affectionately called
"Jim Dolan."

During his long and eventful residence
in New Mexico he has held many im-
portant positions of trust, and in all of
these he always proved faithful and
efficient. For a number of years he was
post trader at Fort Stanton; subsequently
he was treasurer of Lincoln county; filled
the position of register of the United
States land office at Las Cruces during the
Harrison administration; ably repre-
sented his district in the council of the
legislative assembly of 1889, and was
long president and general manager
of the Feltz Cattle company of Lincoln
county. He was particularly well known
and esteemed in the Masonic circles of
Santa Fe, being an active member of
Montezuma Masonic lodge No. 1, of this
city, and also a companion of Santa Fe
chapter No. 1, Royal Arch Masons.

He was about 50 years old and leaves
a widow and four children to mourn the
loss of an affectionate husband and
father. He was a man of uncommon
energy and ability in the transaction of
business, possessing a remarkably well
developed executive faculty, and natu-
rally successful in his honest efforts.
He was a man whose personal integrity
was without blemish, whose word was as
good as his bond, and whose geniality,
generosity and other many qualities
attracted to him many friends. His
death is generally deplored as a loss to
the territory.

District Attorney Smith Resigns.

Governor Otero this morning received
the resignation of Olin E. Smith, Esq.,

cepted by the executive. It is under-
stood that the vacancy caused by this
resignation will be filled on Saturday
next, and it is believed that J. Leahy,
Esq., a well known Colfax county attor-
ney, residing at Raton, will be appointed.

Owing chiefly to the persistent efforts
of the New Mexican, the new street
north of the capital grounds, known as
Manderfield street, has finally been
opened and graded and is now open to
traffic of all kinds. The city marshal is
entitled to praise for the job of grading
he has finished on this street.

Penitentiary Commissioners.
In addition to auditing the accounts
of the superintendent and disposing of
the usual mass of routine business, the
board of penitentiary commissioners
yesterday appointed a committee, con-
sisting of Colonel Chavez, Captain Baca
and Mr. Easley, to ascertain from the
books of the auditor how much money
is due to the penitentiary and also to
verify the accounts of the superintendent.
This committee will doubtless
complete its labors today.

Among business men generally and
all those having the best interests of the
city at heart and desiring a clean and
efficient city administration, Mr. H. B.
Cartwright, senior member of the well

for the nomination for mayor at the com-
ing city election.

The woman who was killed at Taos,
on Friday, by Felipe Gonzales, as re-
ported in these columns yester-
day, was a widow named Kapitza Gon-
zales. The homicide is undoubtedly in-
sane and unaccountable for his terrible
deed. He is still in the county jail at
Taos, but will doubtless soon be removed
to the asylum for the insane at Las Ve-
gas.

George West, well known as a black-
smith in Santa Fe, seems to have land-

by Freight W. L. Trimble to shoe 150
head of horses and mules per month at
\$2 per head and he has all the other
work in his line that he can possibly at-
tend to. He writes his friends in this

F. C. Bennett and T. A. Goodwin, of
this city, are arranging at once to es-
tablish a first-class meat market at
Bland. They have been promised the
meat contract for the big boarding
houses at the Alhambra mine, which
alone insures the firm plenty of busi-
ness from the start. Mr. Goodwin, who
is an expert plumber and pipe fitter,
will take his kit of tools along and will
probably take a contract on the pipe
line from Media Dia canon to the Al-
hambra mine, distant about five and a
half miles.

Messrs. Goodwin and Bennett, who
were sent out by the public-spirited
merchants of Santa Fe to repair the
Santa Fe and Bland wagon road at
Cienega hill, came in last night, report-
ing that they had accomplished the im-
portant work assigned to them and ask-
ing that a committee be sent out to in-
spect the road. They had seven men at
work for three days and say that the re-
sult has been made in such a substan-
tial manner that there need be no
fear of washouts in future. Freight
John Nagel had no difficulty in hauling
3,000 pounds up Cienega hill yesterday
with four animals. He was pleased at
the well-timed achievement of the local
merchants. The rest of the road to
Bland is in good condition.

The New Mexican takes pleasure in
calling the particular attention of its
numerous readers to the statement of
the condition of the First National
bank, of Santa Fe, which appears else-
where in these columns. This statement
as usual reflects the careful, conserva-
tive and able management of Presi-
dent Palen, and the other di-
rectors. This is the oldest and most
substantial banking house in New Mex-
ico and justly enjoys the confidence of
the people to a larger degree than any
other institution of the kind in the ter-
ritory. The current statement shows
it to be in a most satisfactory condition.
